WHY?

Chas Everitt's Cape Town South franchise is launching an exciting marketing campaign for Spring 2020, called **#HelloLocal – Back to Business!**

We are all aware of the negative impact that Covid-19 has had on local businesses.

#HelloLocal is an innovative promotion to assist local business at this challenging time. We have reimagined a local business directory so say hello to **#HelloLocal**

WHAT!

#HelloLocal provides the business owner or organisation with; A Google optimised directory listing with a direct messaging to you from those interested in your product /service. It includes a QR code to promote your listing, mapping of your business location, Coupon/Voucher creation and more.

This **#HelloLocal** promotion also provides active marketing at a local level on local area focussed social media accounts and blogs. So not only do you get the listing, you get a marketing of that listing!

HOW!

Follow these easy steps;

- 1) Go to www.HelloLocal.co.za
- 2) Go to JOIN
- 3) Select the Sponsored Plan account.
- 4) Create your account (adding your information, logo, contact details etc).
- 5) We will then activate all the Premium Plan benefits to your account and we will email you a short Video Guide on how to take full advantage of the added benefits (like the coupon vouchers and QR code and more)
